

Rosa Records proudly presents
Goodbye Girl and The Big Apple Circus
the first solo album by **CHRIS ALLEN**
former leader of legendary band ROSAVELT

His band Rosavelt never got the wide recognition it deserved. Great music... for sure. Great reviews... plenty. But gold records... no, not in a long way. Their mix of Rolling Stones (Exile On Main Street, Sticky Fingers), Wilco and the Replacements never ceased to amaze those people who got the chance to hear them. But commercial success eluded the Cleveland, Ohio band.

Finally it all took its toll and the band called it quits.

But now Chris Allen, the heart and soul of Rosavelt, is back. In a big way. With his first solo album on which he adds, in his own words, Tom Waits, Graham Parker and Tom Petty to that volatile Stones/Wilco/Replacements mix of Rosavelt.

Thoughtful and mature lyrics (Waits meets Raymond Carver), strong melodies, great songs. It's produced by Don Dixon, who was responsible for the first and best R.E.M. records.

Chris Allen is currently touring America and we hope he'll visit Europe and the Netherlands next year. Till then: listen to Goodbye Girl and The Big Apple Circus. We are sure that after you've heard it a couple of times you'll agree with us. This is a very special record.
